

SUPPORTING CHESTNUT TREE HOUSE

Chestnut Tree House is a children's charity providing hospice care services and community support for children and young people with progressive life-shortening conditions in East and West Sussex and South East Hampshire.

Chestnut Tree House offers support for the whole family including psychological and bereavement support, end of life and short break care and sibling support. At Chestnut Tree House the goal is to provide the best quality of life for children, young people and their families, and to offer a total package of practical, social and spiritual support throughout each child's life, however short it may be.

There will be a collection as you leave.
Please give as generously as you can.
Cash or card is most welcome.

Cromwell Brass was formed in 2018 from graduates of both the Royal College of Music and the Royal Academy of Music. Individually, the members of Cromwell Brass have performed with the London Symphony, Philharmonia, London Philharmonic, and BBC Symphony Orchestras. Additionally, they teach at establishments including the Junior Department of the Guildhall School of Music and Drama, Graveney School in Tooting, and Francis Holland School in Sloane Square. As a quintet, they split their performances between chamber concerts and functions, educational workshops, and family-oriented performances.
